

2014 IEEE Congress on Evolutionary Computation
Beijing, China, July 6–11, 2014

This is to certify that

Christopher Smith

was a finalist for the best student paper at the 2014 IEEE Congress on
Evolutionary Computation for the paper entitled
“Multi-Objective Evolutionary Recurrent Neural Network Ensemble for Prediction
of Computational Fluid Dynamic Simulations” coauthored by Christopher Smith,
John Doherty, and Yaochu Jin.

General Chair:

Derong Liu

July 9, 2014

Program Chair:

Carlos Coello Coello
